## ABOUT MAISEMORE CATTERY

This luxury cattery has been built to the Feline Advisory Bureau's (FAB) highest standards. The proprietor is FAB trained and the cattery has applied for listing.

Our aim is to give our feline guests the very highest standards of care, ensuring that you, the owner, can leave them with complete peace of mind.

Each chalet is warm and cosy and has its own covered outdoor run so our guests may enjoy fresh air at any time. Our runs overlook the secure gardens with the resident chickens providing amusement for the cats.

We offer a comprehensive range of food to suit all tastes. If your cat has a favourite bed or toy, then please feel free to bring them along as the familiar smells will help them to settle quickly.

Please come and inspect our facilities for yourself at any time during opening hours - you are assured of a warm welcome.
